SORT FAVORITES
© Darry D Eggleston, 2006, DarryD@darryd.com

When you add Favorites, they are listed in the order you add them.
Thus, over time, they become more difficult to manage.
Here's how to sort them so that you can more easily manage them.

❶ After clicking on "Favorites,"
RIGHT-click on any Favorite.

❷ Left-click on "Sort by Name."
